MEMORANDUM FOR THE RECORD

SUBJECT: Distribution of Administrative Plans

1. A review of the present Administrative Plan distribution pattern reveals the need for a drastic reduction in the number of offices which receive copies of Administrative Plans.

2. In the future, only those offices having a functional responsibility to the project involved will receive a copy of the Administrative Plan. The future distribution pattern for all Administrative Plans will be as follows:

Original (Copy #1) -	To Finance Division thru Budget Division
2 Copies (Copies #2 & #3) -	DD/P Senior Staff concerned (one copy to be sent to Vital Documents)
3 Copies (Copies #4, #5, & #6 -	DD/P Operating Division or Staff responsible for the project
1 Copy (Copy #7) -	Commercial Staff

(Note: The two copies remaining with the Senior Staff, and one of the three copies for the Operating Division or Staff, will be incorporated with the Project Outline in the three official project folders.)

3. Other Agency offices having legitimate occasional requirements to refer to Administrative Plans may have access to a copy of the Plan from any one of the offices listed in paragraph 2 above.
